Short-Term Ministry Opportunities With Africa Inland Mission

## Sports Ministry Team

Combine your love for God with your love of sports.

This front-line ministry is in a remote, rugged environment - the desert of Northern Kenya. Bonds will be formed that will last for many years as you minister to students at a critical time in their lives. There are many opportunities to walk along side them, mentor them, and guide them in deepening their relationship with Jesus.

## The Assignment...

### What will I do?

Partner with the local church and Christian school in engaging with the local youth through sports. You will help plan and run a sports camp for a variety of ages. You'll continue to deepen these relationships off the sports field through one-on-one visits or more formal small group Bible studies.

### Who can serve?

Men and women with a love for youth ministry and sports

**How much support will I raise?\*** \$7000-\$7500

**When:** July 25 - August 31, 2019

Applications due: April 30, 2019

## Interested?
