

AFRICA INLAND MISSION **SHORT-TERM OPPORTUNITY**

Business As Mission Internship // 2020

The Team

Serve as part of a supervised internship team in a well-established and thriving Business As Mission (BAM) enterprise. You and your teammates will serve in a 100% Islamic context, and learn what it means to operate a Kingdom business as a means of sharing the Good News with your Muslim friends, coworkers, and neighbors.

You'll work to further develop an existing Kingdom business, or you'll be involved in the start-up of a new BAM enterprise.

Who can serve?

Rising seniors or recent graduates with Business majors who have a heart to use Business As Mission long term. We'll consider various business concentrations and experience including marketing, social media marketing, management, finance, operations, etc.
